It would be helpful if I could receive as many payments in advance as possible.

Also: Presentation at the Omaha Stamp Show: On Sunday September 10 at 1:00 pm there will be a presentation called "What the Rs Are" which will be a guide to the R (revenue) listings in the Scott Catalog. It will be given by Bob Hohertz of Northfield, MN who is a regular visitor to our show and is president of the American Revenue Association.. It should be very interesting whether or not you collect revenue stamps.

World's biggest postage stamp currently is Mother of Emirates postage stamp issued by UAE in 2013. It also holds the Guinness World Records for the largest postage stamp.

It is 1.36 X 1.77 meters!

The world's smallest stamp measures 8 mm by 9.55 mm or .315 inches by .376 inches.

It was issued by Bolivar, a province of Columbia, in 1863 and is called the Bolivar 10c green.
