**SOUVENIR SHEET**  
**August 2018**

## **CLUB HAPPENINGS LAST MONTH:** **July 5: BUSINESS MEETING:**

No new business.

**Kurt Meyer** showed a sheet of 33 cent stamps on child adoption that we won on eBay. (He also passed around some delicious treats.)

**Mark Sellhorn** passed around two 1946 dual-franked and cancelled covers mailed from Norman, Oklahoma to Honduras and French Guyana. Both were returned to sender with the foreign stamps and cancels applied.

After the meeting, members looked through piles of kiloware — US and foreign both on and off paper. Everyone enjoyed the hunt and decided to do this again after next month's business meeting. Donations from several non-members and packets put together by Dale will be added to the kiloware for the August 2 meeting. It should be another fun evening doing what we all enjoy - hunting for treasures in a pile of stamps.

### **AFFILIATION**

An American Philatelic Society  
affiliate: **APS #0799-064882.**

**July 19:** Edgar Hicks and Gene Kathol visited from the Omaha Stamp Club. Dale reported on several donations that the club recently received. He talked about coming events — a second kiloware night at the August 2 meeting (the first kiloware night in July was a hit) and a scavenger hunt for the August 16 meeting (more details on the next page).

### **Program : *The Omaha Stamp Show and 2019 APS Show in Omaha* by Edgar Hicks**

Dale and Edgar reviewed the APS Benefits Guide as ambassadors from the two clubs. The APS has a variety of services useful to every philatelist. From expertizing services to an incredible research library to online sales by members to sales circuits containing material for almost any stamp collecting interest, the APS has it all. And the monthly magazine contains entertaining and informative articles to interest all collectors.

Edgar then talked about how both clubs could share ideas and resources better to promote membership and activities. He also provided information on the details about the upcoming stamp show in Omaha. The show will be held at Metro Community College, 2909 Edward "Babe" Gomez Ave, Omaha on Saturday, September 8 from 9:00 am to 6:00 pm and on Sunday, September 9, from 10:00 am to 3:00 pm.. The show will feature 13 exhibits in 46 frames.

Edgar also spoke about the national APS show coming up on August 1-4, 2019. He indicated that the APS organizes and operates most of the national show, but relies on local clubs to provide many hours of volunteer help with tasks such as setting up and taking down exhibits and staffing the registration and youth areas. Edgar reported on promotional efforts to date and Lincoln members offered additional suggestions. We will keep in touch with him and the Omaha club over the next year to review progress and make commitments for volunteer efforts.
