November 15 PROGRAM “A Tour of the Vatican Through Stamps” by Kurt Meyer

Kurt Meyer presented a view of the Vatican and a history of various Popes through the stamps in his collection. Vatican City began issuing stamps in 1929 shortly after it became a separate city-state. Being the smallest nation both in area (110 acres) and population (about 1,000), the Vatican issues small quantities of postage stamps each year, usually between 300,000 and 500,000. Some of the beautiful Vatican stamps are shown on the next page.

Keith Riese showed a Nebraska Farmer cover franked with a 3c coil prexie; a 1917 postcard from Minonk, Illinois; and a 1956 cover from St. Louis.

Bob Ferguson passed out a copy of an article by John Hotchner debunking the notion that stamp collecting is a dying hobby.

AFFILIATION

An American Philatelic Society
affiliate: **APS #0799-064882**.

Mark Sellhorn showed a 1928 first flight cover of the Graf Zeppelin from Lakehurst to Germany franked with five 20c Golden Gate (Sc. 567) and one 5c Roosevelt (Sc. 557) perfined but not yet identified.

It is our annual opportunity to show the public what we collect; the many ways and topics that we collect; the fun of stamp collecting; and the joy of sharing our hobby with others. There is an exhibit form included with this newsletter. We would like to have as many exhibits as possible to show off our hobby, so please fill out and send in your form if you would like to participate. The \$5 per entry fee only covers the cost of renting the exhibit frames.

Exhibiting is not limited to Club members. We welcome exhibits from all philatelists.
