July 4: No Meeting

July 18:

We talked about the APS show in August and passed around a guide for registering for the stamp show and signing up for volunteer work. We currently have 9 people signed up, but we need to have 3 more. If you volunteer for 4 or more hours in a day, they will pay for your parking. By volunteering to work at least 8 hours, you will receive a free ticket to the awards banquet (a \$50 value). The Omaha, West Omaha and Lincoln clubs will have a booth with 3 tables. We will need to man that booth as well to welcome people to the show, sell show covers and possibly recruit members to our club. With four more spots to fill, a sign-up sheet was passed around to fill those spots.

We talked about the meetings coming up: no meeting on August 1 for the opening of the APS show in Omaha; and the August 15 program will be a DVD on doctoring postage stamps. We still need a program for September.

Geoff Duncombe showed a 1911 cover from the Gold Coast to Montgomery Ward in Chicago.

LaVonne Uffelman passed around an estate sale book on *New York Foreign Mail Cancellations* with hundreds of illustrated cancels.

Larry Spreeman showed pages he got from stampalbums.com.

Dave Hamilton showed 3 Washington DC covers with free franking for postage and registration but required postage for the return receipt.

Mark Sellhorn passed around a 1930 first flight cover from Alaska to Washington state franked with a booklet pane of the 1c green Washington (Sc. 552) and a booklet pane of the 2c red Washington (Sc. 554).

We looked at everyone's finds for our scavenger hunt. We all found most of the items, but the gravestone on a stamp proved to be the most difficult.
