June 18 Meeting

Still no physical meetings, but we held a virtual meeting on Zoom with 16 members attending. The program on collecting tips went well with lively discussion by everyone. We talked about album/pages/storage; supplies and reference material. At a future meeting we will discuss other topics such as types of collecting; U.S. vs. foreign; mint vs. used; blocks/panes; covers; topicals; dealers (stamp shows, eBay, etc.); insurance, and estate planning.

Our meeting place has decided to wait another month before allowing groups to meet. Again, most likely our next meeting on July 16 will be on Zoom. We will advise everyone as soon as possible about resuming physical meetings.

As we move closer to having in-person meetings, here is a reminder of the scavenger hunt items for the first get-together (hopefully in August):

- * Find a stamp beginning with letters A to Z for each category of a person, place, and thing/event.
- * The person, place, and thing/event must be pictured on the stamp.
- * Prizes will be determined by the selection committee. Special attention will be paid to having stamps in all three categories for a letter.

No meeting July 2. We will meet on Zoom on July 16.

We are hoping to resume meeting again in person in August. If so, the first meeting will again be business and the results of the scavenger hunt.

Club Notes

Until the current health concerns are resolved, Club meetings will be on Zoom.. When we finally resume meeting, the first program will be the scavenger hunt.
