We enjoyed an in-person meeting with 8 members in attendance and 6 other members joining by Zoom. Dale reviewed plans and job assignments for Stamp Collecting Day coming up on Sunday. It was decided that this room works well for our meetings and for show days as it allows for social distancing with a great many tables and space for many people. We also decided that the Club will only meet once per month on the third Thursday until further notice. We looked at everyone's selections for the scavenger hunt that was originally set for March. With the help of Zoom, online members were able to share their picks as well.

LaVonne Uffelman showed a set of eight 1972 Ajman stamps for the Olympics. Each stamp showed two different athletic events as the stamps were turned.

Mark Sellhorn showed a 1940 censored miniature cover sent to South Africa and short-paid with a 3c prexie (Sc. 807), then assessed postage due with a 2-penny South African postage due stamp (Sc. J3).

Stamp Collecting Day 2020

Considering the current health concerns, Stamp Collecting Day was a great success. Sixty visitors joined 12 current club members in searching through tub after tub of stamps and hunting through many boxes of donated material. And folks were lined up all day to have their holding evaluated. Financially, the Day was very successful and we even signed up new members—welcome **Jill Curran**, **Nicolas Prescott**, and **Peter Adams**. The facilities at the Covenant Church proved to be very well suited to allow folks space to find some treasures while maintaining social distancing. An APS slide presentation on beginning stamp collecting was downloaded and shown on the big screen to allow beginners to view stamp examples of the terms used in our hobby. With its help, two Boy Scouts were also able to earn their Stamp Collecting merit badges.

2021 Officer Nominations

At the November 19 meeting, we will be taking nominations for officer positions next year. If you would like to nominate yourself or anyone else, please come to the meeting or let any of the current officers know of your choices.

Stamp Collecting Day 2020

Forwarded Post Card: Milano to Hollywood to Hailey

by David M. Frye,

dfrye@WideSky.biz

This post card depicts Milan's L'Arco della Pace, the Peace Arch, which stands in the Piazza Sempione. Napoleon I, who had invaded northern Italy in 1800, had ordered the erection of this monument along his route of conquest.

The stamp, Michel 77, depicts King Victor Emmanuel III. The 1901-released 10 centesimi issue was part of Italy's 1901–1922 definitive series. A table in U.S. International Postal Rates, 1872–1996, by Anthony W. Wawrukiewicz and Henry W. Beecher, states that the single post-card rate from January 1889 to 31 January 1921 was

Milano to Hollywood to Bailey: The sender wrote, “Dearest Lillian, We crossed the border into Italy this morning. It is exactly as I pictured it, being perfectly beautiful. If I can get any postals [synonym for post cards] of the country and lake, I’ll

10 centesimi (p. 277). The stamp was cancelled twice in Italy. The circular date stamps include the location of the postoffice—“Milano Ferrovia” or Milan Railway—and the date “5 5 07” or 5 May 1907. The post card arrived at its original destination—Hollywood, California—10 AM 19 May 1907, as noted by the inverted cancellation to the left of the address. A second Hollywood postmark—9 AM 21 May 1907—noted the post card’s departure for Box 153, Hailey, Idaho, c/o H.M. Daft.

A machine cancel covers part of the arch in the image. One can make out “Los Angeles / 2 PM / 1907.” Thus, the card passed through L.A. at some point on its journey.

Club Notes

We will be taking nominations for next year's officers. Anyone can nominate themselves or someone else for any officer position. We will also learn about the beginnings of modern stamp collecting.
