January 14 Meeting

We met again met on Zoom with 18 members joining in. It was decided that future meetings will take place on the second Thursday of the month and in-person meetings will be held at the College View Adventist Church.

LINPEX 21 was discussed – four dealers have committed and two others are still interested. There will be room for 20 frames of exhibits. We have several lined up, but there is always room for more, so if you would like to show what you collect, please consider exhibiting.

Dale Niebuhr showed several binders with a great many stamps that have been donated and will be for sale to club members.

Dave Wallman showed an example of what gets donated to the club.– a piece of cloth with a variety of stamps that had gone through the mail..

John Radway showed two bank checks from 1881 carrying documentary stamps and a 1946 cover advertising the first helicopter mail delivery.

Edgar Hicks showed 5 Lincoln advertising covers that he bought in a batch of 40 covers.

Randy Bergstrom showed a copy of the *U.S. Specialist* that showcased **David Frye's** article on a comparison of two 2017 2 oz. corsage stamps with currently unlisted differences in the background shading. **David** discussed this shading difference at last month's meeting.

Mark Sellhorn showed a 1933 cover franked with a bi-sect portion of the one cent Century of Progress souvenir sheet (Sc. 730).

On the following pages is the info on LINPEX 2021. We can always use more help setting up and tearing down. Please sign up to help if you can.

We are updating the club member directory which includes your name, address, phone number and email address. This private information is for club members only and should not be given to anyone else. **If you would like any of your information deleted from the directory, please email any of the board members or directly to [Mark Sellhorn](mailto:coilcoverman@gmail.com) at coilcoverman@gmail.com.**
