Club Happenings Last Month

April 8 Meeting

We met with 20 members attending. **LaVonne** explained that we will try to have a program every other month and have a member exchange and sale of donated items in the remaining months. She announced that **Bob Ferguson** has volunteered to present a program in May. We discussed the Church as the facility for LINPEX which everyone favorably likes, but we will continue to look into one where we can hold a 2-day show, which is more appealing to our dealers.

Bob Ferguson has downloaded 28,000 stamp images over the past year or so and pared it down to what he considers the best 7,000 for viewing. He offered to copy those images for anyone who wants them.

LaVonne Uffelman displayed a stamp T-shirt she was wearing that she got through USPS.

Cynthia Carlson showed a color-shift oddity of the 8c stamp Sc. 1476 and a comparison to a copy of the correct stamp.

Amber Wesely passed around a copy of an 1885 map of Saunders county showing a now-closed Sand Creek Post Office only a mile from her home.

Mark Sellhorn showed a 1901 7" X 11" adverting piece made to look like a mailed postcard complete with a 1c Franklin (Sc. 279).

After the meeting we looked thru donated items for sale..

Registered Letter's Recipient an Uncredited Dancer

by David M. Frye,
dfrye@WideSky.biz

This cover's REGISTRA-DO auxiliary marking caught my eye. I was curious, then, about the destination. I discovered that the recipient, David Preston, because of his studio connection, was probably the uncredited dancer, (a), who competed with Fred Astaire and Ginger Rogers in 1936's *Follow the Fleet*. His work wardrobe supervisor for *Submarine Patrol* (b) in 1938 is remembered. His IMDB record notes his film work mostly entailed uncredited work with wardrobe departments and roles in various films as an extra.

David Preston was born October 4, 1893, in Pennsylvania. He died in Los Angeles, California, on February 2, 1983. The mailing address of Kobeleff Studio matches the CBS Radio Theatre (c), now known as the Ed Sullivan Theatre.

The three definitive stamps, with face values of 300, 500, and 5000 reis, were part of Brazil's long-running Economy and Culture definitive series of the 1920s and 1930s. The prevailing air mail rate to the U.S. in 1939 was 5000 réis and the registered mail fee was 800 réis.

Marks of a Career in Show Business: The registered airmail letter from somewhere in Maranhão, Brazil, was addressed to David Preston, c/o Kobeleff Studio, 1697 Broadway, New York City, U.S.A. The U.S. Post Office Department's New York Registry Division applied date stamps to the back of the letter on 23 December 1939, noting the letter's arrival in the city. The street address was the home in December 1939 of the CBS Radio Theatre. This venue, known today as the Ed Sullivan Theatre, has been the home of the famous performance by The Beatles on Ed Sullivan's show, the "The Late Show with David Letterman" and, more recently, Stephen Colbert's turn on that same show. Kobeleff Studio was, apparently, on a higher floor
