Club Happenings Last Month

May 13 Meeting

We met with 21 members attending. After a round of introductions, **LaVonne** thanked **David Frye** for providing articles to be used in our newsletter. We discussed the Church as the facility for LINPEX which everyone favorably likes, but we will continue to look into one where we can hold a 2-day show, which is more appealing to our dealers.

Rene Ferdinand showed an old album that he had taken to Signature Bindary for excellent re-binding.

LaVonne Uffelman showed a stamp identifier book from the APS.

Brad Shay passed around an 8/30/68 “Last Day” cover for the post office in Grant Centre, Iowa.

David Arunski showed a 1927 fan mail cover to Charles Lindbergh.

Dave Wallman showed a 1967 FDC of the Nebraska statehood stamp mailed from and to California addresses and a 1971 LINPEX Station cover with return address of Malcolm Philatelic Society in Malcolm, Nebraska.

Tom Johnson talked about local stamp dealer, Bruce Burns, who only sells on eBay and about books by postal historian, William Rapp.

Mark Sellhorn showed a mis-cut booklet pane of the 1c prexie Sc. 805b with imperforate pairs and a 1945 Ohio cover franked with three of the imperforate stamps.

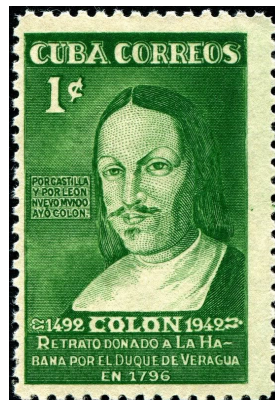

Program: “The Engraved Stamps of Caribbean Colonies & Countries” by **Bob Ferguson**

Using digital images on a large screen, Bob walked us through an entertaining and educational look at many of the engraved stamps of the Caribbean islands. He presented the history of many of the islands as they transitioned from Dutch, British, French, and Danish colonies into separate countries, republics, overseas territories, or other forms of independence. The images showed great detail and artistry in making these miniature works of art. Bob shows a selection of those stamps on the next pages.
