AFFILIATION

An American Philatelic Society
affiliate: **APS #0799-064882**.

We met with 20 members attending and one guest, Richard Wesely. After a round of introductions, we talked about Stamp Collecting Day to be held at the church and is coming up on October 23. We talked about the contract with Country Inn and Suites for LINPEX 2023 on February 25-26, with questions about outside food and Friday night setup. **Brad Shay** will work on getting answers. It is time to think of a theme for LINPEX. **Keith Riese** won the door prize which was the book *The 100 Greatest American Stamps* by Janet Klug and Donald J. Sundance.

Amber Wesely passed around newspaper articles in which she was featured for her stamp displays. Amber was also in the Cedar Rapids newsletter *Pasteup* and had a write-up in Topical Times.

Tom Johnson shared some government penalty covers and discussed the \$300 penalty fee for unauthorized use which has remained unchanged.

Brad Shay passed around a special delivery cover with Sc. E2 franked and a cover created on the USS Nebraska and franked with an Olympic wrestling stamp.

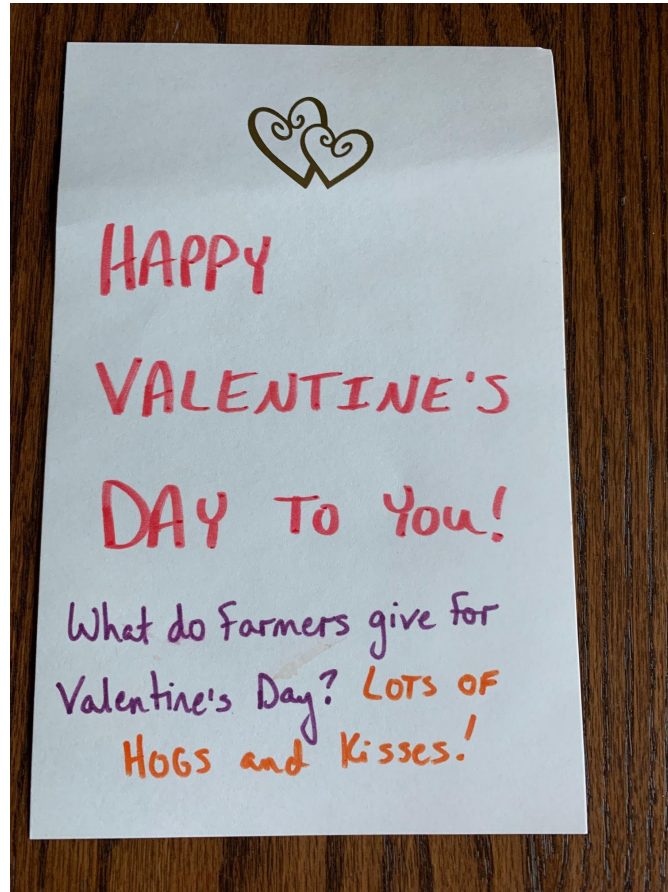

Stephen Allen shared that he has many duplicate sheets for anyone interested.

Amber's Promotion of Stamp Collecting Month.

Deciding to personally help promote our hobby during Stamp Collecting Month each October, **Amber Wesely** used a display cabinet in the local library for the month of October in 2018 and has been able to use this display space every year. Amber began by introducing the public to the "tools of our trade" - tongs, hinges, albums, etc. But right away, it was easy to see that everyone liked the stamps, especially the kids. Each year, Amber has changed it up and added to her promotion by making Mystic Stamp catalogs and copies of Topical Times from the ATA available for people to take and having handouts for kids. Amber has continued to expand her annual display by adding other collateral items like a puzzle, books, a toy truck and Fleetwood Proof Sheet portfolios. Then realizing that some folks are isolated, Amber began sending cards, notes and letters to kids to begin with and then added others. Using discounted postage from the club, she uses the mail system to send these fun messages to about 30 people each month.

The club gives Amber two thumbs up for actively using her talents and time to promote the great hobby of Philately to her community.
