June 8 Meeting

We met with 15 members and 5 visitors—**Greg Christ, Andy Eglite**, John Jeffers, and Rebecca and Leo Schmelzer. **Greg and Andy** joined the club - welcome and we're glad you're here. **LaVonne** informed us of the Minnesota Stamp Show coming up in July and the Omaha Stamp Show later in June. Next month's program will be by **Bob Ferguson** presenting his virtual images of the colonial stamps of the German, Italian, Belgian, Dutch and Danish territories. The August meeting will be either a member buy/sell night or the sale of donated material. We will decide at the next meeting.

The door prizes were won by these folks:

John Schultz won a souvenir sheet of the joint US/Canadian issue commemorating the 1606 voyage of Samuel de Champlain.

Keith Riese and Rebecca Schmelzer each won a Canadian souvenir sheet showing the flags of the 12 provinces.

Cynthia Carlson showed a collection of postcards from a recent trip highlighted by one from Cythiana, Indiana.

Dave Wallman passed around some FDC's that he had created for the new Standing Bear stamp and items from donated material including a check cancelled in England with a 2d Machin affixed to the back and cancelled with the check. No one could come up with a reason for the stamp being used.

Mark Sellhorn passed around a wooden Happy New Year postcard sent from the Dutch embassy in Washington to friend in the Netherlands and franked with a 2c prexie (Sc. 806).

The meeting was followed by scavenger hunts through tubs of donated stamps to spell out LINCOLN and to amass stamps with a Nebraska connection and a quiz of guessing the country of foreign stamps.

Editor's Note:

I am having serious computer/printer problems and will be getting new machines. In the meanwhile, this is the best my system will do on getting out a newsletter to let everyone know what is going on in the club. I hope to have this all figured out by the August edition.
