AFFILIATION

An American Philatelic Society
affiliate: **APS #0799-064882.**

We met with 20 members and discussed Stamp Collecting Day coming up this Sunday here at the College View Adventist Church. **LaVonne** talked about the need for help in setting up and managing the different areas. She also asked for members to bring an album or collection for display to the public. **Dale** worked up the floorplan for the event and mentioned that he has a lot of donated material that will be available for sale at the event. **Dale** also passed out a guide to APS member services and encouraged anyone who is not already a member, to join the APS. APS benefits to the club increase with a higher level of APS membership. The door prizes were won by these folks:

David Arunski won a sheet of the Andrew Wyeth stamps.

Rene Ferdinand won a sheet of the new Hot Wheels stamps.

Edgar Hicks won a sheet of the new Pixar stamps.

Brad Shay showed a 1907 postal card from Berlin, Nebraska.

Rene Ferdinand passed around his current newsletter, intact but torn stamp in Post Office processing. Also Rene passed around a French stamp with 1830 in the CDS. After discussion, we decided it was a time marking.

Mark Sellhorn showed a very plain Christmas card mailed in 1919 to show what passed for holiday greetings back then.

The meeting was followed by a member buy/sell/trade session.

Congratulations go to member, **Mike Ley**, in winning the single-frame Grand award at the Great American Stamp Show for exhibiting “The 30¢ Roosevelt and 50¢ Taft Prexies Used Together”. **Mike** showed these at a club meeting a couple of years ago. Congratulations, **Mike**, on another award-winning exhibit.

Stamp Collecting Day 2023

2023 was another successful year for our Stamp Collecting Day to promote October as Stamp Collecting Month. We had 20+ members and 125+ potential members attending. Two folks started out potential but joined our ranks— **Kay Novotny** and **Anthony Oberley**. Welcome **Kay** and **Anthony**, we’re glad you’re here. Sale of donated material was brisk as was the beginners’ tables for old and young alike. Several folks came in to get evaluations on their material and the club ended up with more donations both on and off paper. All in all, a good show.
